

**SPEED
STREET FA**
DEVOTED TO DEVELOPMENT
Player/Parent Commitment Contract

At SpeedStreet FA we are devoted to player development. We commit ourselves to developing your player in a positive learning environment that facilitates mental, technical, and physical growth. This environment highly encourages hard work, team play, and positivity. To be able to participate with confidence at the highest level, all players must understand the level of commitment that is required. We are asking each family to fully support the program. As the club has a responsibility to each player and family, the player and family must reciprocate their responsibility to the club, coach, and team.

As we grow together, we are asking each family and player to commit to...

- Respect to The SpeedStreet Program and Coaching Staff
- Exceptional Practice Attendance
- Respect to each Player and Family
- Positivity and Encouragement
- Respect to Fair Play
- Attendance to Games/Tournaments
- Respect to Officials and Opponents
- Attend a minimum of six summer sessions

- Uphold financial responsibilities for the entire year

Upon review of the above-mentioned expectations, please sign below showing your acceptance of our commitment policy. If the player and family are unable to meet the responsibilities of the program, the staff will be forced to re-evaluate the future participation of the player. Thank you for your decision to commit.
